

AI Guarded Code Editor: Verifying Authentic Human Input

Project Report

Submitted by

Group Number: 1

STUDENT NAME 1 (USN1)

STUDENT NAME 2 (USN2)

STUDENT NAME 3 (USN3)

STUDENT NAME 4 (USN4)

in partial fulfillment for the award of the degree of

BACHELOR OF ENGINEERING

in

COMPUTER SCIENCE AND ENGINEERING

Under the Guidance of

DR. K. PANIMOZHI

Associate Professor

Department of Computer Science and Engineering

B.M.S. College of Engineering

B.M.S. COLLEGE OF ENGINEERING

(Autonomous Institution under VTU)

Bengaluru

Academic Year - 2025 – 2026

Certificate

This is to certify that the project report entitled “**AI Guarded Code Editor: Verifying Authentic Human Input**” is a bonafide work carried out by **Student Name 1 (USN1), Student Name 2 (USN2), Student Name 3 (USN3), Student Name 4 (USN4)** in partial fulfillment of the requirements for the award of the degree of **Bachelor of Engineering in Computer Science and Engineering**, under my supervision during the academic year 2025 – 2026.

Abstract

Write your abstract here. This should summarize the entire project including objectives, methods, and outcomes. It should be complete one full page.

DECLARATION

We, hereby declare that the Project Report work entitled “AI Guarded Code Editor: Verifying Authentic Human Input” is a bonafide work and has been carried out by us under the guidance of Dr. K. Panimozhi, Associate Professor, Department of Computer Science and Engineering, B.M.S. College of Engineering, in partial fulfillment of the requirements of the degree of Bachelor of Engineering in Computer Science and Engineering of Visvesvaraya Technological University.

I further declare that, to the best of my knowledge and belief, this project has not been submitted either in part or in full to any other university for the award of any degree.

Candidate details:

SL. NO.	Student Name	USN	Students Signature
1	Student Name 1	USN1	
2	Student Name 2	USN2	
3	Student Name 3	USN3	
4	Student Name 4	USN4	

Place: Bengaluru

Date:

Certified that these candidates are students of Department of Computer Science and Engineering of B.M.S. College of Engineering. They have carried out the project work of titled “AI Guarded Code Editor: Verifying Authentic Human Input” as Project Report. It is in partial fulfillment for completing the requirement for the award of Bachelor of Engineering degree by Visvesvaraya Technological University. The work is original and I duly certify the same.

Guide Name: Dr. K. Panimozhi

List of Tables

Chapter 1 Introduction

1.1 Overview

In this template, we refer to several sources such as [1], [2], and the BibLaTeX documentation [3].

1.2 Motivation

1.3 Objective

1.4 Scope

1.5 SDG Justification

1.6 Existing System

1.7 Proposed System

1.8 Work Plan

B.M.S. College of Engineering (BMSCE), founded in 1946 by Late Sri B. M. Sreenivasaiah, is the first private engineering college in India. Located in the heart of Bengaluru, Karnataka, the institution has grown to become one of the most prestigious engineering colleges in the country.

BMSCE is autonomous, affiliated with Visvesvaraya Technological University (VTU), Belagavi, and is recognized by the All India Council for Technical Education (AICTE). The college is accredited by the National Board of Accreditation (NBA) and the National Assessment and Accreditation Council (NAAC) with an A++ grade.

The institution offers 14 undergraduate and 15 postgraduate programs across various engineering disciplines, management, and computer applications. It also has strong

research centers in multiple domains, encouraging innovation and industry collaboration.

BMSCE is known for its state-of-the-art infrastructure, highly qualified faculty, and vibrant student community. The college emphasizes holistic development through academics, research, co-curricular and extracurricular activities, and has a strong alumni network spread globally.

With its motto *Service to Humanity is Service to God*, BMSCE continues to foster excellence in education, research, and innovation.

Chapter 2 Literature Survey

2.1 Overview

2.2 Detailed Survey

2.3 Research Gap Identification

2.4 Mapping of your Objective with Research Gap Identification

B.M.S. College of Engineering (BMSCE), founded in 1946 by Late Sri B. M. Sreeniva-saiah, is the first private engineering college in India. Located in the heart of Bengaluru, Karnataka, the institution has grown to become one of the most prestigious engineering colleges in the country.

Chapter 3 Software and Hardware Requirement Specification

3.1 Functional Requirements

3.2 Non-functional Requirements

3.3 Hardware Requirements

3.4 Software Requirements

3.5 Cost Estimation

B.M.S. College of Engineering (BMSCE), founded in 1946 by Late Sri B. M. Sreenivasaiah, is the first private engineering college in India.

Chapter 4 Design

4.1 High Level Design

4.2 System Architecture

4.3 Use-case Diagram

4.4 Class Diagram

4.5 Sequence Diagram

Include the Sequence diagram with respect to your project work.

Chapter 5 Implementation

5.1 Overview of Technologies Used

5.2 Implementation details of modules

5.3 Challenges encountered and Strategies used to tackle

Details of your implementation goes here.

Chapter 6 Testing and Experimental Analysis and Results

6.1 Unit Testing

6.2 Integration Testing

6.3 Experimental Dataset

6.4 Performance Analysis

Testing results and graphs go here.

Chapter 7 Conclusion and Future Work

Summary of your work and potential improvements.
